Planning

It's been a busy year here at the Advantage Learning Center. Just a little over a year ago our space was completely renovated.

Colorado Shines was rolled out last summer and after reviewing our application we are rated Level 4 due to NAEYC accreditation. In 2016 both the Office of Early Childhood and the Health Department rolled out new licensing rule packages. These are just some of the things that we have been doing.

It is that time of year when we turn our attention to plans for the new year. You are invited to a Parent Partnership meeting at 5PM on

for the new year. You are invited to a Parent Partnership meeting at 5PM on Wednesday, September 28 to review our last plan and provide input for the coming year. If you are unable to attend the meeting, we invite you to share any ideas you have with Pat or Beverly. You may discuss them with Pat, write us a letter or send us an email or message on Kid Reports.

Bev's Corner

Many of you remember my daughter Diana who worked for us in the mornings until last February when she moved to South Korea to teach English as a second language. I had the privilege to visit her this summer. While many things felt foreign some things regarding children were the same. Babies on the subway played peek-a-boo with me. A toddler in the department store whined and cried when her mother would not buy the toy she wanted. The children in Diana's elementary classroom were eager to get to know us and show us how much they had learned. Diana is thoroughly enjoying working and playing in South Korea.
