# SEXUAL ABUSE PREVENTION TRAINING

Parents and Staff, please join us for a day of training.

Monday, November 12, 2018

9:00 am – 2:30 pm

We'll start with **"Nurturing Healthy Sexual Development"** from Illuminate. A comprehensive approach to preventing child sexual abuse ensures adults interacting with children possess the basic knowledge and skills to foster healthy sexual growth and development in children.

Then, we'll receive Darkness2Light's **"Stewards of Children"** training. During the award-winning training, we'll meet survivors who lived through child sexual abuse, experienced its immediate and long-term effects, and ultimately were able to find healing. We'll meet experts who work with children and families and confront abuse on a daily basis. Lastly, we'll find concrete steps that we can take to protect the children in our lives.
